## J. C. EDWARDS IS KNOWN HERE

American Killed in Battle in Mexico  
Yesterday Was Brother-in-  
Law of Harry Pea.

VISITED HERE LAST SUMMER

Joined the Insurrectos Two Weeks  
Ago—His Death Was Avenged  
by Rebels.

J. C. Edwards of Virginia, the only American who was killed in the battle between the insurrectos and the Mexican government troops yesterday, was a brother-in-law of Harry Pea of this city and had visited here only recently. He was here last summer as the guest of Harry Pea and spent several days in the city. The summer preceding that he was here for a brief visit. A number of local people became acquainted with him at the time and remember him as a tall, handsome young man who had barely reached his majority.

Edwards was fighting with the rebels when he was killed. According to dispatches from the Mexican border, Edwards lived in Roanoke, Virginia. He had been in the South for some time, in fact most of the winter, according to his local relatives. Edwards joined the rebels about two weeks ago and had been taking part in the attacks on the government troops. His leg was shot off by a bullet, but he continued to fight until he was struck twice more.

"Just let me get that fellow on the roof and I'll die happy," he said after he pulled the trigger as he lay on the ground, according to a dispatch in the morning paper.

Edwards was one of the fourteen Americans who fought with the insurrectos in the first real battle of the internal war in Mexico. The rebels avenged Edwards' death, according to dispatches, by concentrating their fire on the Federal who shot him. He finally died face front.

One other American was killed as a result of the battle, but he was not a participant. Robert Harrington, a switchman, was struck by a stray bullet and died within an hour.

The battle took place within one hundred feet of the border line between Mexico and the United States. Thousands of Americans crowded along the line to watch the battle and several of them were struck by stray bullets. The battle finally ended by the Federal troops rushing to the protection of the United States regulars who arranged a truce.

## TOMPKINS PLAYING BALL

Is Holding Down Third Base on the  
Roswell Team.

Herman Tompkins, formerly of this city, now of Roswell, N. M., is from all reports, showing the yokels down there a few of the finer points about baseball. Nick, as he is better known, is holding down third base on the Roswell team and gives promise of being the sensation of the infield. The team has been playing practice games with the high school team and, according to the Roswell papers, Tompkins has been covering a world of ground. That he is good at any position is evidenced by the fact that while here he played in the outfield and pitched.

An effort is being made near Boston to raise a rubber tree, which has been imported from Central Africa.

## CLAUDE LEVI FINED AGAIN

Found Guilty of Assault on Police-  
man Wolters.

Claude Levi who was fined five dollars and costs and given ten days in jail April 4 for public indecency, was arrested again this morning on the charge of assault on Policeman Wolters. He was fined one dollar and costs which was stayed. On the night of the third he struck at Wolters and was arrested this morning after laying out his first sentence. Levi was warned by Mayor Black not to appear before him again or he would get the limit.

## THE PEACH BASKET BONNET, NEW IDEA

Greensburg Drinkers Prefer Extrava-  
gant Creations of Milliner to  
Rushville Sunbonnets.

NO SCREENS ALLOWED THERE

The city council having passed an ordinance forbidding the use of the screens behind saloon doors and windows saloon patrons are discussing methods of screening themselves when they stand at the bar, says a Greensburg dispatch. The Columbus individual blind and the Rushville sunbonnet do not meet with favor here. A "peach basket bonnet," roomy enough to slip down on the head until the eyes are almost covered, is preferred. The strong argument in favor of the "peach basket" is that it is not easily knocked off or shoved back.

Local milliners have numerous "frames of the "peach basket" in stock untrimmed. A man who likes his daily "nip" says he could not see anything reasonable in the shape of a woman's hat before, but that the "inventor of the 'peach basket' certainly had a wise head and deserved a medal."

## ST. PAUL EDITOR "SCOOPS" RIVALS

Ora C. Pearce Withholds Announce-  
ment of His Marriage Until His  
Paper is Published.

"BRING ON YOUR POTATOES"

In order that he might obtain a "scoop" on the county seat papers, Ora C. Pearce, publisher of the St. Paul C. Pearce, of St. Paul, Ind., kept his marriage a secret until Wednesday evening, when he confided his secret to his editor. He was married last Sunday evening to Miss Jennie Brooks, a daughter of Mr. and Mrs. Theodore Brooks of St. Paul by the Rev. George E. Swartz of the United Brethren church.

It became known on Monday that a secret marriage had taken place, but despite all efforts on the part of Greensburg reporters, the details did not become public until the Telegram announced the wedding. One Greensburg reporter even went to the extreme of searching the safe in the Decatur county clerk's office for records, but failed in his quest, as the county clerk had the application blank for the marriage permit in his pocket. In the writeup of the wedding Mr. Pearce closes with the words "Bring on your potatoes, we're married now."

## LIKED TRIP TO GLOVE COMPANY

Business Men Surprised to Note  
Great Improvement Which Has  
Been Made in New Quarters.

ABOUT FORTY VISIT FACTORY

Twenty-Five People Are Now Em-  
ployed and Expansion Will no  
Doubt be Made Shortly.

Approximately forty business men visited the home of the Rushville Glove Company yesterday afternoon between the hours of three and four o'clock. To say that the merchants enjoyed the visit would be putting it very mildly as all of the business men who gave up one hour of their valuable time found that it was spent very profitably. They found conditions which they did not anticipate. They found that the glove factory was—and still is—a modern factory which promises to assume much greater proportions. They were more than pleased with the cleanliness of the place, of the employees and the apparent industry which bulged out everywhere.

That the glove company is thriving was very evident to Rushville business men who accepted the cordial invitation to visit their place yesterday afternoon. The glove company owners were very much pleased by the interest which was evinced by the merchants in visiting their factory and hope to build up an industry of which Rushville even will be more proud of than the present one.

It is very apparent that the glove company is operated on a business basis as the trip of inspection proved. The factory is clean looking and sanitary; is ample in size and provides plenty of light and fresh air for the employees. The building is divided into three floors, the space all being used to advantage although there is plenty of room for growth and enlargement. The first floor is the machine room, while more activity is to be found on the second floor. It is there that all of the girls work and the gloves are made. The third floor is devoted to the stock, both crude and finished.

The company now employs twenty-five people, mostly girls. They are contemplating starting several new machines, which will mean that more girls will be hired. If the business develops during the remainder of the year as it has so far this year, the company will employ from fifty to seventy-five people by the first of next year.

They have been in their new quarters since the fifteenth of January. In their old quarters in the Daily Republican building they did not have the opportunity to expand in proportion to the new business which they received. In the new building the ample room makes it possible to install new machines as fast as necessary and also furnishes facilities for making prompt shipments.

It is estimated that the company could have done fifty per cent more business in 1910 if they could have taken care of their orders. They now have orders for three times as much of their product as they had the same time last year. In view of this fact, a number of machines will be put in from time to time so that they will be enabled to handle all orders properly and promptly. The merchants of this city who are selling their gloves pronounce the Cantons the best they ever sold.

The company is represented on the road by Joe Clark of this city; J. H. Carosn of Rennselaer, Ind.; W. J. Clark of Marion, Ind., and E. Seaman of Chicago, Ill.

## IS A PROPHET OF NEW ERA

Byron Piatt, Who Will Lecture at  
Men's Big Meeting, Will Bring  
Unusual Ideas.

HAS BEEN HEARD HERE BEFORE

Usual Musical Program Will be Ren-  
dered Sunday With Special  
Numbers.

The announcement that Byron Piatt would lecture before the last of the series of Men's Big Meetings at the United Presbyterian church on Sunday afternoon was heralded with delight by Rushville men. Mr. Piatt preached at the Main Street Christian church last Sunday and will continue there each Sunday until the new minister, the Rev. Cyrus Yocum of Cincinnati, comes to take charge. Byron Piatt is one of the few chautauqua orators who left a lasting impression here. He will be remembered as the man who lectured on "The New Era" at the third annual chautauqua here, which made such a decided impression on the audience. Mr. Piatt is admitted to be one of the leading lyceum orators of the present day. Newspapers are unanimous in pronouncing him one of the most gifted speakers of today and it is seldom that Rushville men have an opportunity to hear such a man. He has justly been termed a prophet of the new era.

A well known man has said of Mr. Piatt: "In the most vital and far reaching sense Byron Piatt is 'a prophet of the new era.' He refuses to gain popularity by justifying the ingrained selfishness of the average man. He rather quickens the dormant sense of altruism farther in and deeper down. Every lecture is a quivering cross-section of the individual, neighborhood and national life of our people—a cutting invective against ignorance, beastiality, cowardice, avarice, parasitism and inhumanity—a direct appeal to the active and latent good in mankind—a sane but growing vision of what is possible to the race when men make up their minds to be brothers. Of no other man who has arrived can it be more truly said that he came to the lyceum platform because he had to; that his ideas possessed him completely and forced him into the arena to fight for them. Every sentence is welded together with overmastering conviction. He possesses the charm and magnetism of down-right, thorough-going sincerity. The romance of facts and figures, masterly argument, thrusts of ridicule, flashes of wit and impassioned appeals to reason and conscience follow each other in rapid succession till the whole compass of human life is played upon."

The music for the occasion will be up to the usual standard. A local orchestra will furnish a part of the program while some special music will be arranged. The musical program will be started at two o'clock.

### PRICE OPENS SALOON.

William Price opened his saloon in the room formerly occupied by the Gale pool room in Main street last evening. This makes the fifth saloon to open. When James Smith opens up in the Tyner room, Rushville will have its full quota of thirst parlors.

### THE WEATHER

Fair. Cooler tonight with Frost. Saturday fair.

## FROST COMING TONIGHT

Will Damage Crops Considerably, if  
Weather Man is Right.

Boo! Frost tonight! That's what the weather man says will be the bill-o-fare. If his predictions are correct there will no doubt be a great loss on account of the damage to all of the crops. Fruit experts say that frost at this time will be very dangerous to the crop as a whole and will cause a heavy loss to growers. Frost, if it comes, will undoubtedly injure other crops also.

## WHAT'S LIMIT ON THE SLIP HORN?

That is the Principal Question In-  
volved in Suit That Will be Tried  
in Morristown Tomorrow.

DID HE DISTURB THE PEACE?

What is the limit on the neighborhood sliphorn? Can a man toot on a trombone beyond the point where such tooting infringes on the peace of his neighbors? These questions are involved in a case at Morristown, where Ernest Zimmerman, earnest and diligent practicing member of a brass band, has been arrested, charged with disturbing the peace.

Ernest practices on his slide trombone during the day at the few spare moments which he may have. The Morristown band has several engagements for the coming summer and Ernest, like all of the rest of the earnest members of the organization, wants to be in good wind for the anticipated engagements, hence the practicing. But it so happens—fate fixed it that way—that Ernest has for a next-door neighbor, the night operator at the C. H. & D. station. In view of the fact that the operator works while others sleep, he must sleep while others work—and play. The operator withstood the neighborhood pest as long as possible and then resorted to the protection which the law affords for all those who have their toes trod on. The case is set for trial Saturday.

## TWO SILVER GRAY DORKINGS EXPIRE

Valuable Chickens, Bought by A. P.  
Walker in England, Catch Cold  
in Trip Across Pond.

ROUP IS THE CAUSE OF DEATH

Two of A. P. Walker's valuable Silver Gray Darking chickens, which he bought in England last winter, while abroad buying his usual shipment of Jersey cattle, caught cold in making the trip across the pond and as a result caught the roup. They were very seriously ill and finally succumbed one day recently. A number of the other chickens were taken ill with the same disease as the result of a bad cold, but they have been completely cured. Mr. Walker received two eggs yesterday, the first the chickens have laid in America. It will be remembered that Mr. Walker bought the shipment of the special strain of chickens to form the nucleus for a Silver Gray Dorking Association. The chickens were divided among the other members, all of whom are prominent men in Indiana.

## WHO WANTS TO SELL SALOON?

Understood That One Owner Who Re-  
cently Opened up Would Gladly  
Dispose of Business.

TO RETIRE TO QUIET FARM LIFE

James McCormie is in Most Receptive  
Mood—Denies he Has Thought  
of Sale.

Although it is understood that James McCormie prefers the simple life in the country to running a saloon, and that he has thought of selling his place of business, he denies that he had ever had any idea of selling out. He admits that he is in a receptive mood, however, and that he would sell if he was offered enough money. James McCormie seems to be the only saloon keeper who has ever entertained such ideas.

There has been a well defined rumor for a week that one of the saloon keepers in the city would sell out if he could find a buyer. All of the saloon keepers with the exception of the two men who had not at that time opened up, were seen and they all denied that they had ever given such an idea any thought. By the process of elimination it was seen that McCormie was the only man as he was the only one who even said that he would consider selling.

It is understood that McCormie, after having invested a good sum of money in the business and opened up on a large scale, has decided that he does not like the business. It is learned from reliable authority that he would prefer to take to the farm, where everything is quiet and peaceful and quit the saloon business forever.

It seems that McCormie or any other saloon keeper could have no reason for selling out as the saloon business in Rushville, when there are only six thirst parlors, should be very profitable. It is understood that many of the saloons have averaged \$100 a day. Rushville supported seventeen before the city was voted "dry."

The Proctor restrictive measure provides that the holder of any license who wishes to transfer it, must file a petition before the board of commissioners asking their permission to do so. The one who intends to buy it must publish a notice of his intentions and any voter has a right to file a remonstrance against the granting of that right to him.

## SUCCESSFUL APPLICANT

Clyde Early Wins Place at the City  
Hospital.

As a result of a recent examination, Clyde Early of this city, son of Mr. and Mrs. Frank Early, has been appointed interne at the Indianapolis City Hospital. Dr. Early has been at the hospital for several weeks but his position was not assured until the grades were given out yesterday. Those receiving the highest average usually are sent to the hospital, as that place is better than the Dispensary. Seven other men were appointed together with Early whose average for the examination was sixty-eight and one-tenth per cent.

British hats and bonnets were shipped to foreign countries last year to the number of 1,387,901 dozen, worth \$9,733,000 or one-third more than in 1906.

### GRAY HAIRS BANISHED.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy and gradually restored the natural color. One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days on account of its soiling quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair but will also stop the hair from falling out and make it grow. It is sold by all druggists for 50c. and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

Lesson III.—Second Quarter, For April 16, 1911.

### THE INTERNATIONAL SERIES.

Text of the Lesson, John xx, 1-18. Memory Verses, 15, 16—Golden Text, Luke xxiv, 34—Commentary Prepared by Rev. D. M. Stearns.

We have the choice this week of a lesson on Joash, the boy king, or a resurrection lesson, and as next week we shall have another lesson on Joash we choose the Easter lesson for this week. The resurrection of Jesus from the dead is in many respects the greatest topic in the Scriptures, for if Christ be not risen preaching is vain, faith is vain, there is no forgiveness of sins, and no one is saved (1 Cor. xv, 14, 17, 18).

His great atonement includes His perfect life in a mortal body, His death in our stead bearing our sins, His resurrection from the dead, all of which may be included in the saying, "The precious blood of Christ" (1 Pet. i, 19). At present, as our great high priest, He is at the right hand of God, for us, and He will come again to receive His body, the church, and to set up His kingdom of peace and righteousness on this earth.

That the Messiah of Israel, the great King, should be a man was plainly foretold in Gen. iii, 15; xxii, 18; Deut. xviii, 18; Isa. ix, 6, 7, and many other places. That He should be a man risen from the dead, an immortal man, was also foretold in Gen. iii, 15; II Sam. vii, 13, 16; Isa. ix, 7; lili, 10, 11; Ps. xvi, 10; xxii, 22, 27, 28, and elsewhere, and foreshadowed in Isaac, and Joseph and Jonah as well as in the two birds of Lev. xiv and the two goats of Lev. xvi.

When He was on earth in His humiliation He repeatedly foretold His death and resurrection in such passages as John ii, 19-21; Matt. xii, 40; xvi, 4, 21; xvii, 23; xx, 19; xxvi, 64, and yet even His own disciples did not receive it, for in verse 9 of our lesson we read that even Peter and John "knew not the Scripture that He must rise again from the dead." He said to the two with whom He walked to Emmaus, who were so cast down because of His death, and so disappointed because He had not redeemed Israel, "O fools, and slow of heart to believe all that the prophets have spo-

ken." He also said to the disciples in the upper room that same evening, "All things must be fulfilled which were written in the law of Moses and in the prophets and in the psalms concerning me" (Luke xxiv, 25, 44).

He appeared at least ten times to one or more of His disciples during those forty days between His resurrection and ascension from Olivet, five times on the first day, and our lesson tells of His first appearance, and that was to Mary Magdalene (Mark xvi, 9). We do not find that Mary of Bethany was with the other women at the tomb on the resurrection morning, for she seems to have believed what He had said about His death and resurrection, and she anointed Him beforehand for His burial (Matt. xxvi, 12; Mark xv, 8). The purchase of spices by the other women was an act of love, but not of faith, for had they believed that He would rise again they would not have purchased spices with which to anoint His dead body.

As soon as Mary Magdalene saw that the stone was rolled away from the sepulcher she ran back to tell Peter and John, and they both ran to the tomb, and both went in, Peter going first, and saw the linen clothes evidently as when His body had been in them, and the napkin that was about His head wrapped together in a place by itself, and they believed that He was risen and went away again unto their own home. Mary, having returned to the tomb, remained and was so intent upon finding the body of her Lord that she had no eyes even for angels, and when Jesus Himself spoke to her she supposed Him to be the gardener, so blinding is unbelieving grief.

Not until He called her by name did she recognize Him. One of the precious words of the Spirit to my soul is found in Isa. xliii, 1, "Fear not, for I have redeemed thee. I have called thee by thy name; thou art mine." How wondrously gracious of our Lord to appear to Mary and speak to her while on His way to His Father (verse 17), and how wondrous His words to her, and through her to us, "My Father and your Father, my God and your God."

If we would only believe fully that He has made us one with Himself, a part of Himself, children of God and joint heirs with Himself, it does seem as if our lives would declare that Jesus lives.

Note the words with which He greeted the disciples that evening and also a week later, "Peace be unto you" (verses 19, 21, 26), and remember John xiv, 27; Jer. xxix, 11. See Him asking them to handle Him and to thrust the hand into His side and see Him eating broiled fish and honeycomb be-

fore them that they might see the reality of His resurrection body (Luke xxiv, 39-43; John xx, 27). Hear His word to Thomas and to us, "Be not faithless, but believing. . . . Blessed are they that have not seen and yet have believed" (John xx, 27, 29). Then lay to heart His words to them and to us, "As my Father hath sent me, even so send I you" (verse 21), and may we be such Spirit filled believers in all that is written that we shall in all things glorify Him.

## CHRISTIAN ENDEAVOR.

Prayer Meeting Topic For the Week Beginning April 16, 1911.

Topic.—The spirit of the resurrection.—Rom. vi, 1-14. Edited by Rev. Sherman H. Doyle, D. D.

The saddest day that this world ever saw was the day that the body of Jesus lay in the tomb of Joseph's garden. The gladdest day that this world ever saw was when the angel of the resurrection proclaimed, "He is not here; He is risen." No man can say how much that proclamation has meant and through all eternity shall mean to the sinning and dying sons of men. But we know that that first Easter message has answered the deepest yearnings of the human heart. It has turned man's night of ignorance and uncertainty into the brightness of the morning. It has emancipated the believing soul from the fear of death. It has flooded the world with the light of a new hope and a new life.

1. The spirit of the resurrection is the spirit of joy. If it be true that no hour is more solemn than that in which the bodily powers fail, the fluttering pulse ceases to beat, the cold stillness settles upon the features so lately wreathed in smiles; if there is no corruption to be compared with the corruption of the tomb and no sorrow with the breaking of the ties of love, then where shall we look for a greater joy than to the message of the angel who stands by the tomb of our Lord? In the light of the beautiful Easter message no longer does death appear as a terrible calamity, nor does the grave drip with horrors, nor does a man leaving the world enter into a black and silent eternity. But death appears as an angel from heaven, and the grave is the place where Jesus giveth his beloved sleep. Dying, a man goes home—home to the Father. Easter is the day of days. No other festival has so much joy in its keeping. In our Scriptural lesson Paul makes the believer one with his Lord. We may not understand all the mystery. But we can enter into the gladness of Paul's

## Local Churches Sunday School Lesson Christian Endeavor

faith when he exclaims, "If we died with Christ we believe that we shall also live with Him." Is not any message which brings such glorious news a message of joy?

2. The spirit of Easter is also the spirit of power. We are no longer the bond slaves of sin and death, for by His dying and resurrection Christ has delivered us. The power that raised Christ from the dead is working in us, and it will defy all those forces of the world, the flesh and the devil which serve to make a good and true life impossible for us in this sinful world. We may walk in newness of life if we yield ourselves to the working of this power. It is no longer I, but Christ, that liveth in me. What a wonderful truth it is! I am weak, I am sinful, I am subject to death but Christ is divinely strong. Christ dies for my sins; Christ overcomes death on my behalf. Henceforth not in my weakness, but in Christ's strength; not in bondage to sin, but as an instrument of righteousness unto God; not as the slave of death, but as possessing the power of an endless life, am I to live my life in this world. May this Easter, with all its messages of joy and power, lead us to open our hearts anew to the spirit of Christ that he may reign supremely within us and make our lives His own.

### An Invitation From Japan.

Our Japanese friends take long looks ahead, as is shown by the fact that they have invited the World's Christian Endeavor union to hold its convention in 1917 in Japan. The invitation reads as follows:

The year 1917 is a most important year in Japan, because the semicentennial anniversary of the coronation of the present Emperor Mutsuhito will be observed and the World's Industrial exhibition will be held in Tokyo during that year. These two things alone will no doubt call together many people to Japan from every part of the world, and that is the reason why we are especially anxious to have a great Christian Endeavor gathering in Japan during that year. We believe there will be many Endeavorers abroad who will come to Japan to attend or see those two special occasions besides the Christian Endeavor convention.

We hope you will take this matter into your careful consideration and find some way to grant and realize our earnest desire.

Representing 4,000 Endeavorers in the empire, we are  
TOKIYUKI OSADA, President.  
TORAJI MAKINO, Treasurer.  
TATSU SAWAYA, General Secretary.  
The Japan Union of Christian Endeavor.

Christian Endeavor in Europe.  
On the continent of Europe Chris-

tian Endeavor has held steadily on its widening way. Except in France and possibly Austria, there has been no backward step, while some of the countries have forged ahead. Even in the countries mentioned the decline has been more seeming than real.

The German national convention, held in October, was particularly strong and helpful.

The following are the numbers of societies reported by some of the European countries:

France, 83; Germany, 440; Finland, 41; Hungary, 14; Italy, 19; Norway, 60; Spain, 48; Switzerland, 43.—Francis E. Clark.

### Dr. Baer's Advice.

President John Willis Baer, former general secretary of the United Society of Christian Endeavor, who conducted the exercises at the funeral of Arch Hoxsey, the aviator, advised in his sermon that all air men should devote themselves wholly to the science of aviation and abjure the sensational.

## CHURCH NEWS

### SPECIAL SERVICES.

All the churches of the city will observe Easter with special services. The sermons will be in keeping with the day and elaborate musical programs have been arranged. Many of the churches have been beautifully decorated for the occasion as has been the custom.

Services to be held at the South Pearl Street Salvation Army church: Preaching Wednesday, Friday and Saturday night at 7:30; Holiness meeting at 10:30 Sunday morning; senior Sunday school at 2 o'clock; open air meeting at 3 o'clock and preaching at 7:30 Sunday evening. Everybody welcome. Captain and Mrs. Enoche are the officers in charge.

The Union Mission Sunday school will meet Sunday afternoon at two o'clock at the Mission church in South Pearl street.

First Church of Christ, Scientist, will have their usual meeting at their room over Poe's jewelry store. Sunday school will be held in the morning at 10 o'clock. A cordial invitation is extended to all.

Regular services conducted by Father Cronin at St. Mary's Catholic church Sunday at 8 and 10 a. m. Sunday school at 2:30 p. m. and Vespers and benediction at 3 p. m.

The Rev. Byron Piatt will preach both morning and evening at the Main Street Christian church. Both services will be in keeping with the day and a special musical program will be given. The Rev. Mr. Piatt is here filling the pulpit until the Rev. Cyrus Yocum takes charge which will be the 15th of next month.

Services at the First Baptist church next Sunday will be conducted by the pastor, the Rev. E. C. Myers. "If Christ be Not Risen" will be the theme of the Easter sermon at 10:45. The ordinance of baptism is to be administered after the morning service if conditions are favorable. Gospel service at 7:30 p. m. Special music at both services. Bible school at 9:30 a. m. and B. Y. P. U. at 6:30 p. m. A cordial welcome to all.

At the First Presbyterian church Sunday morning, the Rev. J. B. Meacham will preach a sermon in keeping with the day. At this service the Knights Templars will attend in a body as has been their annual custom. The evening service will also be observed with an Easter sermon.

Dr. Jamieson's subject for the morning service at the United Presbyterian church will be "God's Message to a Persecuted Church." This is the second in a series on the Epistles to the seven churches. Subject for the evening service, "Easter Joy." The time for the morning service has been changed to 10:45. Sabbath school, 9:30; Young Peoples Meeting 6:30. Prayer meeting every Thursday at 7:30 p. m. Congregation meeting for the election of one member of Session to be held after prayer meeting next Thursday evening. A cordial welcome to all these meetings.

At the St. Paul M. E. church on next Sunday, Easter services will be observed throughout the day. The Sunday school will open at 9:15 and will take up the study of the Easter lesson, after which a short program will be given by the school. A special Easter sermon will be delivered at

10:30 by the pastor, Dr. J. W. Turner, on the following subject, "Benefits From the Resurrection of Christ." At night at 7:30 the choir will render some choice Easter music, after which Dr. Turner will deliver a sermon on the subject, "An Appreciation of Elizabeth Barrett Browning." A special invitation is extended to all the teachers of the city schools, and to the public. The church will be tastefully decorated for the occasion and all who attend these services will be greatly benefitted.

Elder John R. Daily of Indianapolis is expected to preach at the Morgan Street Primitive Baptist church Saturday evening, Sunday morning and evening at the usual hours. All are invited.

## Piles Can Be Cured for 10c

If you have spent dollar after dollar for apparatus and medicine, you may deem it peculiar that you can be instantly relieved and probably cured for a dime. But it is a fact, and after you can prove it with a 10-cent box of Plex, "the quick-healing salve." The results will make you regret that you never tried before.

Plex is a wonder-working, penetrating ointment that destroys germs, cleans and heals like magic. A big box for 10 cents, and it has a hundred uses in every home. One application cures itching piles. A few more applications cure sore, aching feet, and produce eye-opening results in eczema, dandruff or other skin diseases. Splendid for sore, stiff muscles. Unequaled for cuts, burns, etc.

Plex costs only a dime, and it's the biggest household bargain you ever offered. Your druggist has it, or can easily get it for you. Sent prepaid on receipt or price by the O. C. Co., Terre Haute, Ind.

Hargrove and Mullin, Druggists.

**Drainage Important.**

There are many roads in Rush county that were ideal when they were first built, but they have been allowed to get in a bad condition before any repairs are even considered and the result is that the road is as bad as it was before the new road was built. In the matter of road improvement, which has become all important topics in this as well as other counties, the most important step is drainage. Without drainage the best efforts will be useless. Water is the

worst enemy the road has, but it has one good asset in that it will run away. So the first step should be to provide it with a way and it will do the rest. This fact may be done by surface or sub-surface drains, by side ditches with ample outlet and proper fall, or by tile. If the latter is done, nothing less than four inch tile should be used and it should be very carefully laid. Where culverts are necessary they should be of ample size and it is equally important to give the culverts sufficient fall. Where the fall is very slight, the water is sluggish and leaves sediment in the bottom which tends to choke it up. The outlet to the culvert should be of ample size to carry the water away rapidly so that it will not clog the opening. Drainage is the all important question as five or six inches of gravel on a well drained road will get better results than twice that amount on an imperfectly drained road.

That "sitting" in Indianapolis last night was called a "love" feast, but we venture to say that if any of the inmost thoughts of the various candidates, around whose heads the presidential "bee" has been buzzing, were known, they would include something very foreign to love. Of course, that includes "Woodyard Wilson and our own Tom."

Mr. Bryan has turned down a \$2,000,000 offer to move the Commoner to Memphis. His newspaper is so successful that we take it he does not have to go down to the station personally to see who goes by the 4 o'clock train.

Mazie King, the dancer, walked down 45 flights of stairs on her toes the other day. We feel it our duty in the interest of history to chronicle the fact, although she will probably object to this invasion of her privacy.

Count Zeppelin dropped a bouquet on a parachute from his balloon into the palace of King William of Wurtemberg, the other day. This suggests a method by which men can be persuaded to make afternoon calls.

Twenty-nine States have already voted for the income tax. It looks as if the tax dodger would find out how the common people feel in the automobile season.

It is said that Yucatan will secede from Mexico. Then they can have the revolutions of their own without asking permission from outside.

It is one of the dark contradictions of this life of mystery, that the baseball season does not begin until it is time to plant the garden.

**EDITORIALETTES.**

Woe be to the fruit crop! Frost is predicted tonight.

That will furnish an opportunity for the usual crop killing stories whether or not it is killed.

Goin' to church Easter Sunday with your new duds. Don't think you will? Well! Well!

Thoughtless individuals often accuse the newspapers of printing bare lies, but here's an item from a Michigan paper that is not even questioned: "She was left a widow through the death of her husband."

"Hot under the collar" is another expression which we never could exactly admire. It puts us in the animal column.

Not meaning to say that some people belong there.

Columbus saloons must have meters. The saloon keepers have a right to sell all of the whiskey they can dispose of when they pay their license fee, but the city will have something to say about the number of gallons of "chasers" which are used.

We have known diligent band members who practice daily that are public nuisances, but never before did we hear of one of them being arrested.

The fans generally begin the season without any training and perhaps that's the reason the bleachers seem so hard the first few days.

They say that a certain playwright is planning to have comic opera without music. That's a good idea since a lot of it without comedy has been had these many years.

**PEOPLE'S COLUMN.****About Brick Streets.**

In regard to making First, Perkins and other streets brick it appears to me that there is being too much haste in the matter for two or three reasons: The Tax rate will be raised to such an extent that it will deter people from buying property. Before I was taken sick in February I had a party about to offer me \$4,000 for a house on Perkins street. \$5000 had been refused previously by the owner. The buyer talked with one of the neighbors who told him that Perkins and Third were to be paved this year. He refused to make any kind of an offer, saying he could not afford to buy the house and pay for the brick streets. The house has since been sold for a much less figure as the owner was afraid the streets would be paved. The tax rate is now \$3.24. It surely should not be made any higher. Why not wait until the court house, school houses, sewers, etc., are more nearly paid for before enlarging the debt, except for necessary expenses. Then there are several very serious objections to brick streets: Too much noise; too much dust; radiation of heat; quick evaporation of water; sprinkling will have to be done often.

I think they are the proper thing for down town streets, but for residence portions a Bithulitic or macadamized street at half the cost to build is far better and I think it would be a good idea for those wanting more brick streets to investigate the new Bithulitic streets in Shelbyville before building more brick streets.

While visiting in Buffalo, Cleveland and Detroit last summer I was much surprised at the appearance of some of the streets which had been oiled. The dust had been scraped up and carted off; then rolled and a heavy coat of oil put on so that one could hardly tell them from an asphalt street.

We, who live on Seventh street thought we had almost perfection in a street when they were oiled last summer. The dust was eliminated and as most of the street had a good foundation of crushed stone it seemed to me good enough for anyone, at least along where I live.

I prefer this kind of a street around my home to a brick street should they cost the same price.

True, the price may be a trifle higher, but then the "Caloric" is worth more money, and in the end is less expensive than any other. It will pay for itself many times over in the saving of fuel and food to say nothing of time, labor and discomfort.

The "Caloric" is a complete cook stove and can be used the year around, winter and summer. In many homes it is considered an indispensable kitchen appliance and is used in the preparation of every meal. At every use it means both convenience and economy to the housewife—she is enabled to do something else while the "Caloric" cooks the meal.

The Modern Comedy Company will give a change of program and Earl Robertson will sing "You Aint Got the Girl Till the Ring is on Her Finger."

The Portola Photoplay theater will have a complete change of program tonight. The first film is a Vitagraph "Mammy's Ghost," or "Between the Lines of Battle."

The story related in this picture is a very pathetic one and should appeal to the taste of all. The second film is an Essanay comedy, "A Woman's Voice."

George Schmidt will sing a new illustrated song.

The Vaudet will show a big double program this evening with a Powers and a Nestor film. "The Bridal Trail" is a Nestor drama and is said to be one of the best produced by that company.

The Powers film, "The Gypsy Sweetheart" is declared to be one of the most intense dramas and withal pathetic stories which was ever produced in a moving picture.

The story is acted by Miss Pearl White and J. T. Carigan, the leading man and woman with the Powers company.

The first film at the Palace will be a Vitagraph, "Betty Becomes a Maid."

The picture shows to what extremes a young millionaire goes in order to win a bride. In doing so, he gets into a bunch of trouble and many funny situations. The other picture is a Lubin with two subjects. The first is "Father's Birthday Ring."

The ring made trouble at first, but finally brings happiness. The other subject is "Woman's Curiosity."

The story is based on the trouble caused by a gas bill. A new illustrated song will be sung.

The annual meeting of the stockholders of the Co-Operative Telephone Company of this city will be held in the court house assembly room this evening, when three directors, will be elected. R. L. Tompkins, Frank Reynolds and John H. Frazee are the directors whose terms expire this year and whose positions will be filled. It is understood that they are all candidates for re-election. W. T. Jackson will make his annual report at the annual meeting concerning the extensions, new buildings, financial condition and new telephones.

Mrs. Charles Alger is quite seriously ill at her home in North Perkins street

Greenup Thompson, who recently sold his property in this city to A. R. Holden, is perfecting plans for a handsome new house on one of the choice lots in Glenwood for a permanent home.

The order of K. of P. is preparing to initiate a class of thirty-four candidates at a great meeting to be held in the Auditorium, tonight, says the Connersville News. The order's hall is by no means large enough to accommodate such a crowd as is expected, as visitors from Rushville, New Castle, Brookville, Muncie, Liberty and Indianapolis have promised to be in attendance.

The initiatory degrees will be conferred by the Rushville team, which will come to the city by traction in a special car. An effort is also being made to bring a special from Brookville for the accommodation of the visitors expected from Franklin county.

All the members of the local lodge will meet at Castle Hall promptly at seven o'clock to prepare to receive the visitors.

Stockholders of Co-Operative Telephone Company Will Convene.

Young Ladies Embroidery club with Miss Estelle Jones in North Main street.

Mrs. Warren P. Elder entertained the members of the Modern Art club at her home in North Julian street yesterday afternoon. The parlor was tastefully decorated. Light refreshments were served and little imitation chickens were given as favors.

The last of the series of meetings which were held by the Auxiliary to the C. W. B. M. in observance of the week of prayer, occurred last night in place of the regular prayer meeting. Mrs. B. F. Miller was leader. The week's meetings were very profitable and the members of the local organization are well pleased with the interest which was shown in the annual event.

## A DETECTIVE TRICK AND HOW IT FAILED

**Charged That These Men Tried  
to Create Business.**

Indianapolis, April 14.—On charge of using the mails with intent to defraud, Gilbert B. Perkins of Pittsburg, head of the Perkins Detective agency, and his son, Walter Perkins of this city, who has been manager of the Indianapolis branch, were arrested here by deputy United States marshals. It is charged that the men sent a "black hand" letter to C. Strong, a wealthy electric railroad man and manufacturer of Erie, Pa., threatening to blow up his family mausoleum or his house unless he took \$50,000 to a designated place, and that the purpose in writing the letter was to obtain for the agency employment from Strong in the work of ferreting out the authorship of the communication. G. B. Perkins attributes his arrest to the hostility of a rival detective agency.

Accompanying the deputies from the marshal's office were five postoffice inspectors who have been at work on the case. Before Commissioner Charles W. Moores the two managers of the agency received a hearing. They were released under a bond of \$1,000. The affidavit alleges that at Erie, Pa., on Feb. 13, G. B. Perkins, Walter Perkins and A. Thomas, also of the agency, devised a scheme to defraud Strong.

### PHYSICIAN CONVICTED

**Jury Did Not Accept Self-Defense Plea  
of Dr. Baisden.**

Williamson, W. Va., April 14.—"Guilty of voluntary manslaughter" was the substance of a verdict brought in by a jury in the case of Dr. G. L. Baisden, on trial for killing Grover Waldron. Dr. Baisden, who is a prominent physician of Naugatuck, declared that he killed Waldron in self-defense. The penalty under the verdict is from two to five years in the penitentiary.

### Jury's Prompt Verdict.

Mt. Carmel, Ill., April 14.—Dr. J. E. Inskeep has been exonerated by a coroner's jury of the murder of Asa Dunning, a powerful hunchback, whom he shot and killed in the home of Miss Ruth Moore. The jury deliberated ten minutes and returned a verdict of self-defense.

### SENTENCED TO PRISON

**Members of Cotton Firm Had Used  
Mails Fraudulently.**

Aberdeen, Miss., April 14.—Judge H. C. Niles, in the federal district court here, sentenced J. H. Miller, who was found guilty of fraudulently using the mails, to seven years in prison and to pay a fine of \$11,000. L. C. Steele and C. H. Glende, who pleaded guilty on the same charge, were sentenced to two years' imprisonment and a fine of \$10,000 each.

The men were members of a cotton firm at Corinth, Miss., which failed several months ago. It was charged at the time of the failure that bogus bills of lading amounting to millions of dollars had been issued by the firm.

### Swells Total of Death List.

Birmingham, Ala., April 14.—Searchers going through the mines at Benner, where an explosion occurred last Saturday, have found four more bodies, bringing the total up to 131. While officials of the company claim there were only 123 men in all in the mines, pieces of bodies would indicate that the full number may never be positively established.

### Boy Killed by Lightning.

Jeffersonville, Ind., April 14.—Calvin Richardson, son of George Richardson, near Charlestown, aged eleven, was instantly killed by lightning that ran down the side of a barn in which he was standing.

# GUARANTEED 10% INVESTMENT

You can buy one of our Florida Farms with your savings of \$5.00 a month, 17 cents a day, on which you can raise crops that will net you from \$200 to \$1,200 an acre every year.

Stay where you are and buy a farm. There is nothing so safe, so certain as an investment in farm land. Neither will any investment pay such large dividends.

Money invested in savings banks yield but 3% or 4%, and banks often fail. Volusia County farm land, at this rock bottom price is sure to increase in value. We, ourselves, will guarantee 10% the first year. Land at Sanford, only 12 miles south, sold for \$10 an acre, less than 6 years ago. Today improved land is valued at \$1,000 an acre, and up. Transfers are actually being made at these prices. The land we offer you is practically the same as that at Sanford—same soil, same climate, same rainfall. All our land needs to make its value soar is what Sanford land needed 6 years ago and received—Cultivation.

Once you buy a piece of land, nothing can take it away from you. No one can steal it. Neither fire, nor flood can destroy it. Panics can't affect it. It isn't necessary that your land be placed under cultivation to increase its value. The mere fact that the land around yours is being farmed will cause the value of your land to rise. The minute a farm near yours begins to yield bumper crops it will enhance the value of your land. Jay Gould, the noted financier, once said that \$100 invested at the right time, in the right place, is worth a life-time of labor, which simply means that the man who recognizes opportunity when he sees it,

and take advantage of it, will make more money from a small investment than he will slaving for some one else all his life. \$100 invested now in Volusia County farm land will be worth a life-time of labor to you, for it will be a start toward a net income of \$5000 a year. Considered purely as an investment this is by far the best proposition you were ever offered. The terms are certainly fair and very easy. No matter how little you can earn you ought to lay by at least 17 cents a day. You can if you will.

This land is located 100 miles south of Jacksonville, in Volusia County, seven miles from the Atlantic ocean and 12 miles north of Sanford, where the farmers are clearing from \$200 to \$800 an acre clear profit every year.

A few points of interest in regard to the land:

1. The Florida East Coast Railroad runs right through the land and the town of Indian Springs is on our land.

2. Lake Ashby, a beautiful body of water, two miles wide and three miles long, is located on the southern boundary. This lake abounds in fish and all during the winter season there is good duck hunting here. Deep Creek on the west, Ashby Creek in the center, and Spruce Creek on the east, gives us ample facilities for perfect drainage.

3. A few miles to the east is the Atlantic ocean, the cool breezes, from which make the climate ideal, both winter and summer.

We don't see how those who purchase one of these farms around Indian Springs or Alama can possibly lose by the invest-

ment. The land will never be lower in price, and the increased activity in this locality, the influx of homeseekers, the building of new roads, the erection of new houses, in short, the general settling up of the land and the building up of the town, will make real estate soar like a rocket, and can't you see that those who invest now, while prices are low, will reap profits almost beyond the human imagination.

The prices of this land is \$5.00 a month for a ten acre farm; \$10.00 a month for a twenty acre farm, and \$20.00 a month for a forty acre farm, at the rate of \$25.00 per acre.

We give our purchasers 90 days to inspect their land, and if, after such inspection you are not satisfied, we will exchange your land for any tract not sold at that time, or pay your money back with 10 per cent interest besides. If you wish to buy a farm at all, surely you will buy here. We do not believe that anywhere else can you find as good land, as well located, at such a low price and on such easy terms.

Finally, we urge you to take prompt action. We have only a few farms left, which we can deliver at once, at the \$25.00 price.

Don't be a victim of the tomorrow habit. If you ever intend to buy, buy now.

I have decided to make the terms even better. To every person buying 20 acres or more I will pay their railroad fare for the round trip to inspect this land. On the first Tuesday in June I will conduct a party of persons to inspect this land. Let me hear from you if you want one of these farms.

## THE MOVEMENT FOR GOOD ROADS GOES ON

Two More Petitions Filed This Week, Making Total of Seven to be Acted on.

### PAVED WITH CRUSHED STONE

The movement for better roads and highways continues in Rush county. Two more petitions for improvements of township roads in the county have been filed in the county auditor's office this week, which makes a total of seven at present which are pending. They will all be presented to

the county commissioners at their regular monthly meeting which will be held Monday, May 1. The last petition to come yesterday afternoon was entitled "in the matter of the petition of Hal W. Green for the improvement of a highway in Jackson township." The petition prays that the county commissioners order the described road be graded, drained and paved with crushed stone. Fifty-four land owners in the township signed the petition. The petition which was filed earlier in the week is known as the Isaac Webb et al. road. It petitions the board for the grading, draining and paving with crushed stone of a road in Rushville township. It is signed by eighty-eight land owners in the township.

### MEN TOTALLY ISOLATED

Riverside Park is Entirely Cut Off From City.

The men over at Riverside driving park, where Harrie Jones and a number of other local horsemen have their training stables, are practically isolated from the world. They have been compelled to ford the river at the foot of Jackson street, while South Main street is torn up and being paved. But now a new difficulty has arisen. The river is up and almost out of its banks so that the men can not ford it. They can not drive to the city at all and the only way they can get any of the necessities of life is to cross the bridge and walk through the fields to the city.

## GOOD FRIDAY WAS OBSERVED TODAY

Special Services Were Held in the Catholic Church—Bell was Silenced For Occasion.

### LENT WILL CLOSE SUNDAY

Following the usual custom, Good Friday was observed today in the Catholic church with special services at eight o'clock this morning, at two-thirty 'o'clock this afternoon, and closing the day with a service tonight at seven-thirty o'clock. The service this afternoon was held in commemoration of the death of Christ, which is supposed to have occurred at three o'clock.

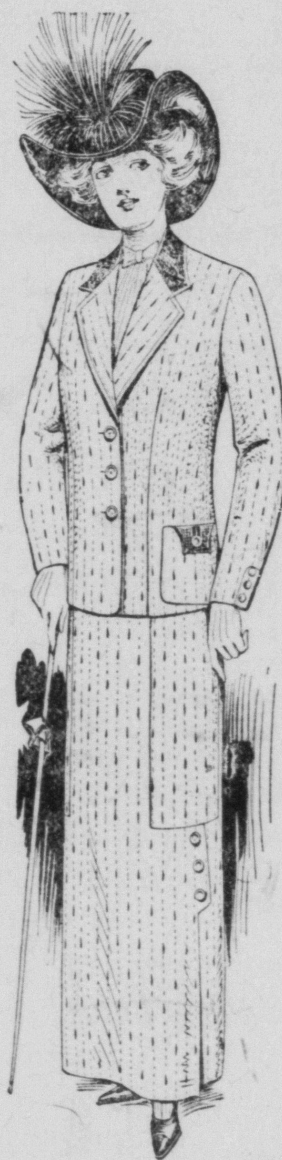

It has been generally noted today that the Catholic church bell did not ring. This is symbolical of the hush of sorrow which fell upon the followers of the Nazarene when He was taken out of their hands, like any other man, crucified like the thieves, and buried in a tomb.

Sunday will mark the close of the Lenten season which has been in progress for the past forty days and will be observed with special services.

### ADVANTAGES OF OUR SELF-RENEWING CERTIFICATES.

1. It is a short-time investment usually for six months, although we write identically the same certificate at a higher rate of interest on TWELVE MONTHS time and is suitable for surplus funds or funds awaiting permanent investment.
  2. Either certificate can be renewed from time to time by simply HOLDING THE CERTIFICATE and thus make it a permanent investment.
  3. Either relieves the holder from the annoyance of collecting interest and having the certificate renewed at every maturity date. We mail you interest check to your last known address on each maturity.
  4. This company will make loans to the face value of the certificate.
  5. There is absolutely no speculative value in these certificates and they are not affected by the rise and fall of the security market. THEY ARE ALWAYS WORTH PAR.
  6. We claim to pay you on the year certificate the highest rate consistent with absolute safety and permanence of the principal.
- In addition to the above, WE PAY INTEREST ON CHECKING ACCOUNTS above a stated limit.
